INDEPENDENT AUDITORS' REPORT

Board of Directors
Associated Students of the California Maritime Academy
Vallejo, California

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Associated Students of the California Maritime Academy (the Organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization, as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated Students of the California Maritime Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Board of Directors
Associated Students of the California Maritime Academy

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 13, 2022, on our consideration of Associated Students of the California Maritime Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Associated Students of the California Maritime Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Associated Students of the California Maritime Academy's internal control over financial reporting and compliance.

**ASSOCIATED STUDENTS OF THE CALIFORNIA MARITIME ACADEMY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2022**

This section of the Associated Students of the California Maritime Academy's (the Organization) annual financial report presents management's overview and analysis of the financial activities of the Organization for the fiscal year ended June 30, 2022. We encourage the reader to consider the information presented here in conjunction with the financial statements taken as a whole.

Introduction to the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Organization's audited financial statements, which are comprised of the financial statements and the footnotes and supplemental schedules. The Organization is one nonprofit auxiliary of the California Maritime Academy (the Academy).

The required financial statements include the Statements of Financial Position, Activities, Functional Expenses, and Cash Flows. These statements are supported by notes to the financial statements, supplementary detail, and this summary. All sections must be considered together to obtain a complete understanding of the financial position of the Organization.

Statement of Financial Position

This statement includes all assets and liabilities using the accrual basis of accounting as of the schedule date. The difference between the two classifications is represented as "Net Asset"; this section of the statement identifies major categories of restrictions on these assets and reflects the overall financial position of the Organization as a whole.

Statement of Activities

This statement presents the revenue earned and the expenses incurred during the year using the accrual basis of accounting. Under the accrual basis, all increases or decreases in net assets are reported as soon as the underlying events occur, regardless of the timing of the cash flow.

Consequently, revenue and/or expenses reported during this fiscal year may result in changes to cash flow in future periods.

Notes to the Financial Statements

This additional information is essential to a full understanding of the data reported in the financial statements.

Supplemental Information

This is offered to support the required financial statements, to fulfill understanding of the operating units within the Organization.

**ASSOCIATED STUDENTS OF THE CALIFORNIA MARITIME ACADEMY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2022**

Reporting Entity

The financial statements of the Academy will be separated between the Academy and its component units. The latter are separate I.R.C. 501(c)(3) nonprofit auxiliary organizations whose financial information will be presented in a discrete column and in the footnotes of the Academy's financial statements. Consequently, these auxiliaries must comply with the same governmental rulings and must present their individual separate audited financial statements in the same format.

Analytical Overview

Summary

Total assets of the Organization have decreased this year by \$13,569. This classification is comprised of current assets (cash and cash equivalents and due from CSU Maritime Academy). The increase in total assets is due primarily to an increase in cash and cash equivalents.

Liabilities have increased by \$4,642.

The overall change to net assets is a decrease of \$18,211 due primarily to a decrease in operating expenses. The net asset balance at June 30, 2022, was \$157,888.

Comparative Analysis of Activities and Balances

	<u>June 30, 2022</u>	<u>June 30, 2021</u>	<u>June 30, 2020</u>	
Operating Revenue	\$ 177,061	\$ 184,645	\$ 199,553	Note 1
Operating Expense	<u>195,272</u>	<u>131,744</u>	<u>158,990</u>	Note 2
Change in Net Assets	<u>\$ (18,211)</u>	<u>\$ 52,901</u>	<u>\$ 40,563</u>	

Note 1: Operating revenue decreased by 4% from 2022 compared to 2021 due primarily to lower enrollment.

Note 2: Operating expenses increased by 48% from 2022 compared to 2021 primarily due to an increase in hospitality expenses and supplies and services this year.

Capital Assets and Long-Term Debt Obligations

Capital Assets

The Organization does not use any capital assets and there was no depreciation expense for the year ended June 30, 2022.

**ASSOCIATED STUDENTS OF THE CALIFORNIA MARITIME ACADEMY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2022**

Long-Term Debt Obligations

The Organization does not use any long-term debt to fund operations or growth.

Contacting the Organization's Financial Management

These financial statements are intended to provide students, taxpayers, investors, and creditors with a general overview of the Organization's finances. Questions about this report should be directed to the Associated Students of the California Maritime Academy at 200 Maritime Drive, Vallejo, California 94590.

ASSOCIATED STUDENTS OF THE CALIFORNIA MARITIME ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 NATURE OF OPERATIONS

The Associated Students of the California Maritime Academy (the Organization) is a nonprofit corporation, originally incorporated in 1966 as the “California Maritime Academy Midshipman’s Fund.” In 1995, the Organization amended its Articles of Incorporation to establish itself as an auxiliary organization of the California State University pursuant to Education Code Section 89300.

The Organization conducts its operations in conformity with regulations established by the board of trustees of the California State University and as an integral part of the California Maritime Academy (the Academy) under the supervision of the President of the Academy. The Organization is governed by the student board of directors and is a member of the California State Student Association.

The specific purpose of the Organization is to sponsor, promote, and conduct essential activities closely related to, but not normally included as a part of the instruction program of the Academy. The specific objectives are to serve the needs of the Academy students, to develop leadership skills through participation in self-governance, enhance the quality of campus life, and provide a forum for representing the interest of the entire student body.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements and records of the Organization are prepared on the accrual basis of accounting, in accordance with generally accepted accounting principles (GAAP), and include all support and revenue when earned and all expenses when incurred, regardless of whether the support and revenue or expenses were received or paid as of the end of a period.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions. Net assets and revenue are classified based on the existence or absence of donor-imposed restrictions:

Net Assets without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization’s board may designate assets without restrictions for specific operational purposes from time to time.

Net Assets with Donor Restrictions – Net assets subject to donor-imposed restrictions that are temporary in nature and that will be met either by actions of the Organization or the passage of time. As the restrictions are satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statement of activities as net assets released from restrictions. Other donor restrictions are perpetual in nature, where the donor restricts that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions. Such income generally includes interest, dividends, and realized and unrealized earnings from the corpus. There are no net assets with donor restrictions for the year ended June 30, 2022.

ASSOCIATED STUDENTS OF THE CALIFORNIA MARITIME ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue

Associated student body fees are the primary source of revenue for the Organization. The student body fee is a mandatory fee required to enroll or attend the university. The fees are collected by the Academy and remitted to the Organization. The student body fee is paid to help support various student clubs/organization programs and student body facility expenses during the year and is recognized into revenue over time.

The Organization previously adopted Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* and ASU No. 2018- 08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. ASU 2014-09 recognizes the amount of revenue to which it expects to be entitled for the transfer of promised goods or services. ASU 2018-08 provides guidance on characterizing grants and similar contracts with resource providers as either exchange transactions or contributions, as well as distinguishing between conditional and unconditional contributions.

Allocation of Expenses

Expenses related to more than one function are charged to program services and supportive services on the basis of periodic time and expense studies. Significant management and general expenses are allocated to the Organization through related party transactions in accordance with the operating agreement entered into by the Organization and the Academy, which expires in January 2024. Management and general expenses include those expenses that provide for the overall support and direction of the Organization.

Cash and Cash Equivalents

Cash and cash equivalents include cash on deposit with financial institutions.

Due from and Due to CSU Maritime Academy

Due from CSU Maritime Academy represent cash and cash equivalents held by the Academy. Due to CSU Maritime Academy represents amounts owed to the Academy for expenses owed to the Academy but not yet remitted.

Use of Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles and, as such, include amounts based on informed estimates and judgments of management with consideration given to materiality. Actual results could differ from those estimates.

Risk Management

The Organization is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the Organization carries commercial insurance.

**ASSOCIATED STUDENTS OF THE CALIFORNIA MARITIME ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentrations of Risk

Financial instruments which potentially subject the Organization to concentration of credit risk consist principally of cash. The Organization places its cash and money market accounts with creditworthy, high-quality financial institutions. A significant portion of the funds, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 AVAILABILITY OF FINANCIAL ASSETS

The following reflects the Organization's financial assets as of June 30, 2022, reduced by amounts not available for general use within one year of the year-end date because of contractual or donor-imposed restrictions or internal designations:

Cash and Cash Equivalents	\$ 150,570
Due from CSU Maritime Academy	14,446
Total Financial Assets Available to Meet	14,446
Cash Needs for General Expenditures	
Within One Year	\$ 165,016

NOTE 4 TRANSACTIONS WITH RELATED ENTITIES

The Organization is an auxiliary organization of the Academy. The Organization had the following transactions with the Academy as of and for the year ended June 30, 2022:

Payments to University for Salaries of University Personnel Working on Contracts, Grants, and Other Programs	\$ 25,114
Payments to University for Other than Salaries of University Personnel	\$ 40,000

ASSOCIATED STUDENTS OF THE CALIFORNIA MARITIME ACADEMY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 5 INCOME TAXES

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is also exempt from California franchise taxes under Section 23701(d) of the Revenue and Taxation Code and, therefore, has made no provision for federal or California income taxes.

The Organization adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will "more likely than not" be sustained upon examination by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at June 30, 2022. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Associated Students of the California Maritime Academy
Vallejo, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Associated Students of the California Maritime Academy, which comprise the statement of net position as of June 30, 2022, and the related statements of revenues, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 13, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Associated Students of the California Maritime Academy's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Associated Students of the California Maritime Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of Associated Students of the California Maritime Academy's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Associated Students of the California Maritime Academy’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
