II.   CCR's

02/07-10 LIB 100 Information Fluency in the Digital World
Even though this CCR was voted on and approved at the last meeting, some clarification still needs to be made that will help departments decide if they want to substitute this course for COM 100 Introduction to Computers, keep COM 100, or allow students to choose between the two courses.

Starting with the Class of 2011, Global & Maritime Studies Dept. would like to substitute LIB 100 for COM 100.

We will discuss some new information Mindy received from Tom Nordenholz for the Curriculum Committee Policies and Procedures document.

Any additional comments regarding the ET program review.
