CSU The California State University

THE CALIFORNIA STATE UNIVERSITY DENTAL PROGRAM OVERVIEW
Plan Year: January 1, 2024 – December 31, 2024

The California State University Dental Program consists of two types of plans: Delta Dental PPO and DeltaCare USA. This overview provides the most important features of each dental plan offered by the university. It is designed to help you select the plan that best suits your personal needs. The Evidence of Coverage (EOC) booklet provides a detailed explanation of benefits, services, limitations, and exclusions. A copy of the EOC booklet and additional information about the CSU Dental Program is available online at www.deltadentalins.com/csu, or can be obtained from the Benefits Office.

EXPLANATION OF PLAN TYPES

Delta Dental PPO

- Your current dentist may participate in the Delta Dental PPO Network and/or the Delta Dental Premier Network in California. If so, he/she has claim forms and will file your claim. Both you and Delta Dental have a shared responsibility of paying the dentist for services received (see appropriate comparison chart).
- If you select a dentist from the Delta Dental PPO Network, you will typically pay a lower amount on your out-of-pocket expenses.
- If you choose a non-Delta dentist, you must pay entirely for services obtained and then submit a claim form with appropriate documentation to Delta Dental PPO for reimbursement. Claims should be sent to: P.O. Box 997330, Sacramento, CA 95899-7330.
- Since you are not assigned to a specific dentist, you will not receive an identification card. Simply inform the particular dental office you seek services at that you are covered under the Delta Dental PPO plan through California State University.
- Refer to the EOC booklet for coverage details and plan limitations. Benefits described in this comparison are guaranteed only when you select a participating dentist from Delta's networks. You also may contact Delta Dental PPO customer service at (800) 626-3108.

DeltaCare USA,

- This is a prepaid dental maintenance organization plan, which means that all covered dental care for you and your dependents is prepaid and must be performed by the DeltaCare USA panel dentist that you are assigned. (You may change dentists by contacting DeltaCare USA.)
- Under this plan, each covered dental service has a specific co-payment amount, and some services are covered at no charge.
- No claim forms are required under this plan.
- You will receive an identification card and welcome letter. The welcome letter will show the name of your contract dentist.
- All covered dental services deemed necessary by your dentist will be provided subject to plan limitations explained in the EOC booklet. You also may contact DeltaCare USA customer service at (844) 519-8751.

CHANGES FOR 2024

The monthly employer paid premiums for Delta Dental PPO and DeltaCare will not change for the 2024 plan year. All coverage levels and plan benefits will remain the same for the 2024 plan year.

CSU The California State University
