## The Hunt

*After being lost at sea for a very long time, Cal Maritime's first training ship finally returned home to campus. The campus community rushed to the shoreline to welcome her home, when they discovered it was crewed by pirate zombies. Since Cal Maritime is Standing Ready & Prepared, it's time to grab your emergency response gear.*

**2 PIRATE ZOMBIE**

As the ship approached the dock a thick fog surrounded the Campus and the lights dim. It's time like these when you need to be extra careful. This will help light your way. Visit Rizzo Auditorium to pick this up.

CAL MARITIME

**3 PIRATE ZOMBIE**

The ship crashes into the dock with such force the water is pushed back like an earthquake and a huge wave of water comes crashing across campus. Proceed to the Emergency Operations Center located at the Police Station.

CAL MARITIME

**4 PIRATE ZOMBIE**

You bravely go onto the ship to investigate and find nearly the zombie crew. You manage to escape by going to the Bow of the ship to retrieve this item. This will help prevent the spread of the zombie virus in the event they touch you.

CAL MARITIME

**5 PIRATE ZOMBIE**

Whether it's avoiding zombies or when disaster strikes you need to keep up your strength. Proceed to the mess deck to collect your next item.

CAL MARITIME

**6 PIRATE ZOMBIE**

You escape the ship, unharmed but are quickly followed. Proceed to the recreation assembly area for the Lab building to collect a tool that might just come in handy throughout your campus life as well as help with fending off zombies.

CAL MARITIME

**7 PIRATE ZOMBIE**

You managed to evade the remaining zombie pirate to reach the lobby of the Lower Resident Hall lobby. Collect this item that will help keep you warm if you find yourself caught out in the cold.

CAL MARITIME

**8 PIRATE ZOMBIE**

You catch a break, the zombie pirate captain orders his crew back to the ship. You will need this if you get scratched or bit. Pick this up at the Student Health Center are your way back to Merry Hall to Shelter-in-Place.
