Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the business-type activities of California Maritime Academy Foundation, Inc., a component unit of California Maritime Academy, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise California Maritime Academy Foundation, Inc.'s basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of California Maritime Academy Foundation, Inc. as of June 30, 2022, and the changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, the Foundation adopted the requirements of GASB 87 effective July 1, 2021, and has applied the provisions of this standard to the beginning of the period of adoption. Our opinion is not modified with respect to that matter.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of California Maritime Academy Foundation, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Maritime Academy Foundation, Inc.'s ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Maritime Academy Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (MD&A) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the California Maritime Academy Foundation, Inc.'s basic financial statements. The schedule of net position-all program services and the schedule of revenues, expenses, and changes in net position-all program services and the schedule of net position, the schedule of revenues, expenses, and changes in net position and other information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. This information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of the California Maritime Academy Foundation, Inc., referred to above, are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2022, on our consideration of the California Maritime Academy Foundation, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of California Maritime Academy Foundation, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering California Maritime Academy Foundation, Inc.'s internal control over financial reporting and compliance.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
JUNE 30, 2022

This section of California Maritime Academy Foundation, Inc.'s (the Foundation) annual financial report presents management's overview and analysis of the financial activities of the Foundation for the fiscal year ended June 30, 2022. We encourage the reader to consider the information presented here in conjunction with the financial statements taken as a whole.

Introduction to the Basic Financial Statements

This discussion and analysis is intended to serve as an introduction to the Foundation's audited financial statements, which are comprised of the basic financial statements (pages 7-10) and the footnotes and supplemental schedules (pages 27-36). This annual report is prepared in accordance with the Governmental Accounting Standards Board Statement 35, *Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities*. This is designed to improve the usefulness of the report to the primary users of these documents. The Business-Type Activity (BTA) reporting model used is best to represent the activities of the California Maritime Academy (the Academy) and its auxiliaries. The Foundation is one auxiliary of the Academy.

The required financial statements include the Statement of Net Position; the Statement of Revenues, Expenses, and Changes in Net Position; and Statement of Cash Flows. These statements are supported by notes to the financial statements, supplementary detail and/or statistical information, and this summary. All sections must be considered together to obtain a complete understanding of the financial picture of the Foundation.

Statement of Net Position

This statement includes all assets, liabilities, and deferred outflows and inflows of resources using the accrual basis of accounting as of the statement date. The difference between the classifications are represented as "Net Position"; this section of the statement identifies major categories of restrictions on these assets and reflects the overall financial position of the Foundation as a whole.

Statement of Revenues, Expenses and Changes in Net Position

This statement presents the revenue earned and the expenses incurred during the year using the accrual basis of accounting. Under the accrual basis, all increases or decreases in net position are reported as soon as the underlying events occur, regardless of the timing of the cash flow. Consequently, revenues and/or expenses reported during this fiscal year may result in changes to cash flow in future periods.

Statement of Cash Flows

This statement reflects inflows and outflows of cash, summarized by operating, noncapital financing, capital, financing and investing activities. The direct method was used to prepare this information, which means that gross rather than net amounts were presented for the year's activities.

Notes to the Financial Statements

This additional information is essential to a full understanding of the data reported in the basic financial statements.

**CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
JUNE 30, 2022**

Supplementary Information

This is offered to support the required financial statements, to fulfill understanding of the operations within the Foundation.

Reporting Entity

The Foundation is a discretely presented component unit of the California Maritime Academy, and its financial information is included in the financial statements of the Academy. The financial statements of the Academy will separately present the Academy and its component units. The latter are separate I.R.C. 501(c)(3) nonprofit auxiliary organizations whose financial information will be presented in a discrete column and in the footnotes of the Academy's financial statements. Consequently, these auxiliaries, including the Foundation, must comply with the same governmental rulings and must present their individual separate audited financial statements in the same format.

Analytical Overview

Summary

Total assets of the Foundation have increased this year by \$13,068,224, compared to an increase of \$11,989,628 in 2021. This classification is comprised of current assets (cash and cash equivalents, short-term investments, accounts receivable, lease receivables, and promises to give), which increased by \$8,020,884 and noncurrent assets (restricted cash and cash equivalents, promises to give, lease receivables, endowment investments and capital assets), which increased by \$5,047,340 compared to an increase of \$10,509,351 in 2021. The latter category is presented net of accumulated amortization and accumulated depreciation. The increase in total assets is primarily due to vessel donations of \$8,554,000 and significant contributions of \$2,216,577.

Liabilities have increased by \$1,584,651, compared to an increase of \$700,264 in 2021, primarily due to the increase in deposits.

The overall change to net position is an increase of \$8,438,783 compared to an increase of \$11,539,583 in 2021. The Net Position balance at June 30, 2022, \$35,438,449.

Comparative Analysis of Activities and Balances

	<u>June 30, 2022</u>	<u>June 30, 2021</u>	
Operating Revenue	\$ 6,726,214	\$ 352,501	Note 1

Income (Loss)	(1,382,454)	2,241,934	Note 4
Other Expenses	<u>(22,772)</u>	<u>(623,498)</u>	Note 1
Increase in Net Position	<u>\$ 8,438,783</u>	<u>\$ 11,359,583</u>	

**CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
JUNE 30, 2022**

Note 1: Operating revenue for this year increased by \$6,373,713 in 2022 compared to 2021 primarily due to the change in accounting for leases. See Notes to the Financial Statements - Note 1. In 2022, the change in accounting for leases results in charter revenue recognized in operating revenue in 2022 but reflected net with the costs of vessels in other expenses in 2021.

Note 2: Operating expenses for this year expenses increased \$5,025,591 from 2022 compared to 2021 due primarily to an increase in depreciation expense associated with the maritime vessels.

Note 3: Gifts, capital and noncapital, decreased in 2022 by \$1,245,260 or 10% from 2021. This decrease is primarily the result of in a reduction of donated vessels in 2022 compared to 2021.

Note 4: Investment and endowment income (loss) decreased this year by \$3,624,388 overall from 2022 compared to 2021 primarily due to a market fluctuations in 2022 compared to 2021.

Restricted Resources

The Foundation received restricted resources in the form of donations with donor stipulations that limit the use of donated assets such as endowments for student scholarships and donations for other campus programs. All other funds are unrestricted.

Capital Assets

Capital assets as of June 30, 2022, consisted of the following:

	Beginning Balance	Additions	Deletions	Ending Balance
Land	\$ 775,929	\$ -	\$ -	\$ 775,929
Vessels	11,020,000	8,550,000	-	19,570,000
Building	1,163,894	-	-	1,163,894
Total	12,959,823	8,550,000	-	21,509,823
Less: Accumulated Depreciation	(1,858,148)	(3,862,546)	-	(5,720,694)
Total Capital Assets, Net	<u>\$ 11,101,675</u>	<u>\$ 4,687,454</u>	<u>\$ -</u>	<u>\$ 15,789,129</u>

*Beginning balances were restated as a result of the implementation of GASB 87 (see Note 1).

Contacting the Foundation's Financial Management

These basic financial statements are intended to provide students, taxpayers, investors, and creditors with a general overview of California Maritime Academy Foundation, Inc. 's finances. Questions about this report should be directed to the California Maritime Academy Foundation, Inc. at 200 Maritime Drive, Vallejo, California 94590.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The California Maritime Academy Foundation, Inc. (the Foundation) was established in 1972 as a nonprofit, tax-exempt, charitable, and educational organization. The Foundation's mission is to support, with pride, the California Maritime Academy (the Academy) located in Vallejo, California, with resources to enhance the educational experience of its students.

The Foundation is tax-exempt under Internal Revenue Code Section 501(c)(3) for federal income taxes, as well as the related provisions for state income tax purposes.

The Foundation's operations center on fundraising activities for the benefit of the Academy. Individuals, corporations, and organizations support the Foundation by donations given in many ways: gifts of sail and power boats, stocks, real estate, maritime training equipment, and other capital assets. Donations are made for endowments, scholarships, the sailing program, classroom/laboratory equipment, and for unrestricted use. Specific donations are applied according to the wishes of the donor. The Foundation also conducts an annual fund drive through which employers, alumni, and friends, both individual and corporate, contributing matching gifts.

Reporting Entity

The Foundation is an affiliated organization component unit of the Academy. As such, the Foundation's financial data will be included in the financial statements of the Academy.

Basis of Presentation

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, as prescribed by the Governmental Accounting Standards Board (GASB).

The accompanying financial statements have been prepared on the accrual basis. The Foundation reports as a Business-Type Activity and, accordingly, has reported its activities within a single column in the basic financial statements.

The Foundation's policy for defining operating activities as reported on the statement of revenues, expenses, and changes in net position are those that generally result from transactions such as payments received for providing services and payments made for services or goods received. Nearly all of the Foundation's expenses are from exchange transactions. Certain significant revenue streams relied upon for operations are recorded as nonoperating revenue as defined by GASB, including gifts and investment income.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (Continued)

The Foundation has adopted GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*, GASB Statement No. 35, as amended by GASB Statements No. 37, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments: Omnibus* and GASB Statement No. 38, *Certain Financial Statement Note Disclosures*. GASB Statement No. 33 requires that unconditional promises to give be recorded as receivables and revenue when the Foundation has met all applicable eligibility requirements. This statement also requires that unspent cash advances received for sponsored programs be recorded as deferred revenue rather than as restricted expendable net assets. GASB Statement No. 35 established standards for external financial reporting for public colleges and universities and requires that resources be classified for accounting and reporting purposes into the following four net position categories: Invested in capital assets; Restricted, nonexpendable; Restricted, expendable; and Unrestricted.

When both restricted and unrestricted resources are available for use, it is the Foundation's policy to use restricted resources first, then unrestricted resources as they are needed.

In accordance with GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, the Foundation reports separate sections for Deferred Outflows of Resources and Deferred Inflows of Resources, when applicable.

Deferred Outflows of Resource represent outflow of resources (consumption of net position) that apply to future periods and that, therefore, will not be recognized as an expense until that time.

Deferred Inflows of Resources (acquisition of net position) that apply to future periods and that, therefore, are not to be recognized as revenue until that time.

Classification of Current and Noncurrent Assets (Other than Investments) and Liabilities

The Foundation considers assets to be current that can reasonably be expected, as part of its normal business operations, to be converted to cash and be available for liquidation of current liabilities within 12 months of the statement of net position date. Liabilities that reasonably can be expected, as part of normal Foundation business operations, to be liquidated within 12 months of the statement of net position date, are considered to be current. All other assets and liabilities are considered to be noncurrent. For clarification of current and noncurrent investments, see the investment accounting policy.

Net Position

The Foundation's net position is classified into the following net position categories:

Net Investment in Capital Assets

Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction, or improvement of those assets.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Position (continued)

Restricted

- **Nonexpendable** – Net position subject to externally imposed stipulations that they be maintained permanently by the Foundation.

- **Expendable** – Net position whose use by the Foundation is subject to externally imposed stipulations that can be fulfilled by actions of the Foundation pursuant to those stipulations or that expire by the passage of time.

Unrestricted

Unrestricted net position is not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the board of directors or may otherwise be limited by contractual agreements with outside parties.

Use of Estimates and Assumptions

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. The most significant estimates relate to the valuation of investments and the estimated useful lives of capital assets. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Cash and Cash Equivalents and Restricted Cash

For purposes of reporting the statement of cash flows, cash and cash equivalents include cash on deposit with financial institutions. As of June 30, 2022, the Foundation has restricted cash or cash equivalents in the amount of \$238,671 related to the endowment.

Custodial Credit Risk for Deposits

Custodial credit risk for deposits is the risk that the Foundation will not be able to recover deposits or will not be able to recover collateral securities that are in possession of an outside party. The California Government Code and Education Code do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits, other than the provision that a financial institution must secure deposits made by state or local government units by pledging securities in an undivided collateral pool held by a depository regulated under state law. The Foundation mitigates the risk by maintaining the deposits at financial institutions that are fully insured or collateralized as required by state law.

Investments

The Foundation has adopted GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*. Under GASB Statement No. 31, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values using quoted market prices in the statement of net position. Realized and unrealized gains and losses are included in the accompanying statement of revenue, expenses, and changes in net position.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (continued)

The Foundation has adopted GASB Statement No. 72, *Fair Value Measurement and Application*. GASB 72 establishes general principles for measuring fair value and standards of accounting and financial reporting for assets and liabilities measured at fair value.

Certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The value of Foundation's investment in Alternative Investments is measured using NAV per share or its equivalent.

Investments associated with the endowment are considered noncurrent as those investments are not available for expenditure within 12 months of the statement of net position date. All other investments are considered current.

Concentrations of Risk

Financial instruments which potentially expose the Foundation to concentrations of investment risk consist primarily of marketable securities. The Foundation will often receive donations in the form of marketable securities. In order to limit the amount of risk exposure, the Foundation will sell the marketable securities within several days and invest the funds in low-risk mutual funds. As a result, management does not consider this risk a particular concern at this time.

Accounts Receivable

Accounts receivable primarily consists of amounts due from lessees related to variable charter costs as well as the Foundation's beneficial interest in charitable remainder trusts held by the California State University Foundation on behalf of the Foundation.

Management provides for probable uncollectible amounts through a charge to revenue and a credit to a valuation allowance based on its assessment of the current status of the receivables. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to receivables. At June 30, 2022, no allowance was deemed necessary as management believes balance to be collectable.

Promises to Give

The Foundation receives promises to give and bequests of financial support from corporations, foundations, and individuals. Revenue is recognized when a promise to give representing an unconditional promise to pay is received and all eligibility requirements, including time requirements, have been met. In the absence of such promise, revenue is recognized when the gift is received. Endowment promises that do not meet requirements, as defined by GASB Statement No. 33, and are not recorded as assets until the related gift is received.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Promises to Give (continued)

An allowance for uncollectible promises to give is provided based on management's judgment of potential uncollectible promises. The allowance determination includes such factors as prior collection history, type of gift, and nature of fundraising. There was no allowance at June 30, 2022.

In-Kind

Values assigned to in-kind contributions and the related expenses are based on federal guidelines. In accordance with those guidelines, values are based upon estimated area-wide averages for purchased services, facilities, or supplies of a similar type. In-kind contributions and expenses are recorded when used in the program and are not carried forward.

Classification of Revenue and Expenses

The Foundation considers operating revenue and expenses in the statement of revenues, expenses, and changes in net position to be those revenues and expenses that result from exchange transactions or from other activities that are connected directly to the Foundation's primary functions. Exchange transactions include charges for services rendered and the acquisition of goods and services. Certain other transactions are reported as nonoperating revenue and expenses in accordance with GASB Statement No. 35. These nonoperating activities include net investment income, gifts, both capital and noncapital, and any gains or losses on the sale of assets held for sale.

Risk Financing Activities

The Foundation is exposed to various risks of loss related to torts: theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the Foundation carries commercial insurance. The Foundation has not had any significant reduction in insurance coverage, and there have been no claims in excess of coverage, in any of the past three years.

Restatement of Beginning Net Position - Adoption of New Accounting Standards:

In June 2017, the Governmental Accounting Standards Board (GASB) issued GASB Statement No. 87, *Leases*. This standard requires the recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and as inflows of resources or outflows of resources recognized based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this standard, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources. The Foundation adopted the requirements of the guidance effective July 1, 2021, and has applied the provisions of this standard to the beginning of the period of adoption. Beginning net position was decreased \$1,307,980 for the implementation of GASB Statement No. 87 to record the impact of recording the capital assets, lease receivables and related deferred inflows of resources.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through December 22, 2022, the date the financial statements were available to be issued.

NOTE 2 INVESTMENTS

Investment Policy

The primary investment objectives are to preserve the purchasing power of the assets throughout time and to provide a stable flow of annual resources for the Foundation's scholarship program. The Investment Manager(s) must properly balance the following overall objectives: income, growth, liquidity, and safety. The pursuit of the foregoing objectives must be consistent with the Foundation's desire to obtain consistent returns through conservative investments with the acceptance of prudent investment risks and the rejection of those investment activities deemed to be too speculative in nature.

The Foundation's investment policy contains a maximum and minimum range for each asset category as follows: cash equivalents 0 %-100%; fixed income 0%-100%; equity 0%-75%; and alternatives 0%-15%.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value is to changes in market interest rates. The Foundation's investment policy does not address interest rate risk.

Concentration of Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The Foundation's investment policy does not address concentration risk.

The Foundation may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statement of net position.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 2 INVESTMENTS (CONTINUED)

The following is a summary of investments as of June 30, 2022:

U.S. Agency Securities	\$ 894,799
Municipal Bonds	608,873
Corporate Bonds	994,638
Mutual Funds	6,377,672
Exchange Traded Fund	4,234,053
Equity Securities	2,061,753
Alternative Investments	840,609
Total	<u><u>\$ 16,012,397</u></u>

Investments by Classification:

Current Portion	\$ 5,854,085
Noncurrent Portion	10,158,312
Total	<u><u>\$ 16,012,397</u></u>

Investment income is summarized as follows:

Interest and Dividend Income	\$ 305,733
Net Unrealized Loss	(1,484,713)
Net Realized Loss	(203,475)
Total	<u><u>\$ (1,382,455)</u></u>

Concentration of Credit Risk (Continued)

The Foundation follows the provisions of GASB No. 72 for fair value measurements of financial assets and financial liabilities and for fair value measurements that are recognized or disclosed at fair value in the financial statements on a recurring basis. GASB No. 72 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – inputs are quoted prices (unadjusted) in active markets for identical assets that the Foundation has the ability to access at the measurement date.

Level 2 – inputs are inputs other than quoted prices included within level 1 that are observable for the asset, either directly or indirectly.

Level 3 – inputs are unobservable inputs for the asset.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 2 INVESTMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Foundation's investments at fair value measurements at June 30, 2022:

	Total	Fair Value Measurements at Report Date Using			Investments Measured at NAV
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
U.S. Agency Securities	\$ 894,799	\$ 894,799	\$ -	\$ -	\$ -
Municipal Bonds	608,873	608,873	-	-	-
Corporate Bonds	994,638	994,638	-	-	-
Mutual Funds	6,377,672	6,377,672	-	-	-

Total Assets at Fair Value	<u>\$ 15,171,788</u>	<u>\$ 15,171,788</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The following table summarizes information regarding investment terms, unfunded commitments and redemption terms for investments value using NAV at June 30, 2022:

Investment	Net Asset Value	Strategy	Unfunded Commitments	Redemption Terms	Redemption Restriction
Blackstone Real Estate	\$ 661,369	Achieve capital appreciation principally through investing in investment in investment funds	None	Redeemable on a quarterly basis	95 days notice
PIMCO BRAVO Fund IV Onshore Feeder TE, L.P.	179,240	Achieve capital appreciation principally through investing in investment in investment funds	None	Redeemable on a quarterly basis	95 days notice
	<u>\$ 840,609</u>				

NOTE 3 PROMISES TO GIVE

Promises to give are recorded in the statement of net position at estimated net realizable value in accordance with GASB Statement No. 33. Promises to give as of June 30, 2022, are summarized as follows:

Year Ending June 30,	Amount
2023	\$ 232,553
2024	35,000
2025	10,000
2026	10,000
2027	-
Total	<u>287,553</u>
Less: Current Portion of Promises to Give	<u>(232,553)</u>
Total Long-Term Portion of Promises to Give	<u>\$ 55,000</u>

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 3 PROMISES TO GIVE (CONTINUED)

The Foundation has not accrued a loss for allowances for doubtful accounts since it is the opinion of management that it is highly probable that all promises to give will be collected. The Foundation has not recorded a discount to net present value future promises as of June 30, 2020, because the amounts were determined to not be significant.

NOTE 4 CAPITAL ASSETS

Capital assets activity for the year ended June 30, 2022 is summarized below:

	Beginning Balance	Additions	Deletions	Ending Balance
Land	\$ 775,929	\$ -	\$ -	\$ 775,929
Vessels	11,020,000	8,550,000	-	19,570,000
Building	1,163,894	-	-	1,163,894
Total	12,959,823	8,550,000	-	21,509,823
Less: Accumulated Depreciation	(1,858,148)	(3,862,546)	-	(5,720,694)
Total Capital Assets, Net	<u>\$ 11,101,675</u>	<u>\$ 4,687,454</u>	<u>\$ -</u>	<u>\$ 15,789,129</u>

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 5 LEASE AGREEMENTS

The Foundation's leasing operations consist principally of the leasing of various types of maritime vessels that were contributed to the Foundation. These leases are structured to have a nonrefundable inception fee, a security deposit, fixed charter payments over a term of three to four years, and a bargain purchase option at the termination of the lease. The security deposit can be applied to the bargain purchase option. The leases expire at various dates through 2025 and provide for purchase options.

Total future minimum lease payments to be received under lease agreements are as follows:

<u>Year Ending June 30,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2023	\$ 1,995,654	\$ 35,131	\$ 2,030,784
2024	1,910,301	15,785	1,926,086
2025	439,360	1,823	441,183
Total	<u>\$ 4,345,315</u>	<u>\$ 52,738</u>	<u>\$ 4,398,053</u>

Deposits represent refundable security and damage deposits that will either be refunded at the end of the lease agreements or applied to bargain purchase option once exercised.

NOTE 6 COMMITMENTS AND CONTINGENCIES

Risks Associated with the Impact of COVID-19

Due to the severity and global nature of COVID-19, which was declared a pandemic by the World Health Organization in March 2020, and has persisted through 2022 and subsequent to year-end, it is reasonably possible that the estimates in the financial statements may be impacted in the near future. The ultimate disruption which may be caused by the outbreak is uncertain; however, possible effects may significantly impact the Foundation's activities along with its financial position and operating results. Due to the significant uncertainty as to the severity and longevity of the outbreak, management is evaluating the impact on the Foundation and its financial statements on an ongoing basis.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 7 OPERATING EXPENSES BY FUNCTION

The following table presents total operating expenses by function for the year ended June 30, 2022:

	Scholarship and Fellowship	Supplies and Services	Depreciation and Amortization	Total
Student Grants and Scholarships	\$ 516,452	\$ -	\$ -	\$ 516,452
Auxiliary Enterprise Expenses		3,273,784	-	3,273,784
Depreciation and Amortization	-	-	3,862,546	3,862,546
Total	<u>\$ 516,452</u>	<u>\$ 3,273,784</u>	<u>\$ 3,862,546</u>	<u>\$ 7,652,782</u>

NOTE 8 TRANSACTIONS WITH RELATED PARTIES

The Foundation is an auxiliary organization of the Academy. The Foundation had the following transactions with the Academy as of and for the year ended June 30, 2022:

Payments to Academy for Other than Salaries of Academy Personnel	\$ 86,088
Gifts-In-Kind to the Academy from Discretely Presented Component Units	16,712
Gifts (Cash or Assets) to the Academy from Discretely Presented Component Units	542,452
Accounts Payable to the Academy	114,037
Accounts Receivable from the Academy	-

NOTE 9 ENDOWMENT

The Foundation's endowments include donor-restricted endowment funds. As required by accounting principles generally accepted in the United States, net position associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Uniform Prudent Management of Institutional Funds Act (UPMIFA) governs the management of endowment funds held by charitable institutions, which has been adopted by the state of California. UPMIFA prescribes guidelines for expenditures of a donor-restricted endowment fund (in the absence of overriding, explicit donor stipulations) in a more robust set of guidelines about what constitutes prudent spending, explicitly requiring consideration of the duration and preservation of the fund. The act generally requires the Foundation's governing board to establish a spending policy and establishes a rebuttable presumption of imprudence for spending in any given year.

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 9 ENDOWMENT (CONTINUED)

The Foundation has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as restricted net position: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is held until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by SPMIFA.

In accordance with SPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund.
2. The purposes of the Foundation and the donor-restricted endowment fund.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Foundation.
7. The investment policies of the Foundation.

Changes in the endowment net position for the year ended June 30, 2022 were as follows:

Endowment Net Position - Beginning of Year	\$ 13,514,934
Contributions and Donations	206,779
Investment Income, Net	(1,204,034)
Scholarships and Other Expenses	(433,453)
Transfers	180,687
Endowment Net Position - End of Year	<u>\$ 12,264,913</u>

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level SPMIFA requires the Foundation to retain as permanent endowment. Deficiencies of this nature result from unfavorable market fluctuations. There were no deficiencies as of June 30, 2022.

The endowment net position is presented in the statement of net position as follows:

Restricted Cash and Cash Equivalents	\$ 224,971
Capital Assets	1,881,629
Endowment Investments	10,158,313
Total	<u>\$ 12,264,913</u>

CALIFORNIA MARITIME ACADEMY FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 9 ENDOWMENT (CONTINUED)

Pursuant to GASB 33, the Foundation does not recognize into revenue or on the statement of net position the value of promises to give made to the Foundation that are restricted to an endowment fund.

NOTE 10 INCOME TAXES

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation is also exempt from California franchise taxes under Section 23701(d) of the Revenue and Taxation Code (the Code) and, therefore, has made no provision for federal or California income taxes. Contributors, donors, and grantors may obtain tax benefits. In addition, the Foundation has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Code. The Foundation is subject to unrelated business income taxes on charter lease revenue received through the boat donation program.

Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Foundation has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Foundation believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Foundation's financial condition, results of operations or cash flows.

Accordingly, the Foundation has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at June 30, 2022. The Foundation is subject potential income tax audits on open tax years by any taxing jurisdiction in which it operates. The statute of limitations for federal purposes is three years and for California purposes is four years.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
California Maritime Academy Foundation, Inc.
Vallejo, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of California Maritime Academy Foundation, Inc., as of and for the year ended June 30, 2022, and the related notes to the financial statements, and have issued our report thereon dated December 22, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered California Maritime Academy Foundation, Inc.'s internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of California Maritime Academy Foundation, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of California Maritime Academy Foundation, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether California Maritime Academy Foundation, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
